MADE IN SINGAPORE

### Bergamot & Lime

A refreshing citrus fragrance with a hint of Bergamot that sharpens the mind, enlivens mood and sparks positive energy. Perfect for young parents and children heading out for a weekend of fun!

### Sea Spray

Cool and clean aquatic notes recalling the sensation of the sea breeze, accompanied by an uplifting citrus and earthy musky tone - excellent for the active sports lover seeking to recharge.

### Magnolia

Sweet, lemony Magnolia fused with a touch of floral fragrance brings a feeling of calm and serenity, relaxing the mind. Made for weary individuals seeking respite and balance in a busy day.

### Patchouli & Cedarwood

The warm scent of Patchouli and spicy Cedarwood, blended with a variety of floral scents is reminiscent of the sensory delights of a secret garden - designed for the modern woman with exquisite taste.

### Happy Berries

A vibrant fruity fragrance bursting with joyful summer sunshine - ideal for energetic and fun-loving teenagers or young adults who are always on the go!

### Swiss Herbs

A delicate mix of natural green, herbal and woody essential oils, topped off with a hint of nostalgia. Captures the classic smell of the good old days - a familiar rejuvenating scent created for the sentimental soul.
